GLM Products, Inc. has been committed for over 35 years to producing the highest quality and cost efficient aftermarket marine products in the industry. At GLM, we use only the highest quality materials and the most advanced technology for our product line, enabling us to produce the most reliable and compatible products for the marine aftermarket parts industry.

GLM offers an exciting line of marine products, brand new from factory and compatible and interchangeable with OEM application. Our in-house design and engineering abilities enable us to make improvements on original OEM materials and designs. At GLM, we strive to include all new advancements, improvements and superior materials with the ever-changing world of marine technology.

Consider the many additions to GLM's line over the past several years. No other aftermarket manufacturer can compare with our variety of products being offered that GLM has developed and re-designed. When you invest in a GLM product, you can be assured that you are receiving the highest quality aftermarket marine part available. GLM's innovation and exclusive aftermarket products keep us the only source for all your boat repair or maintenance needs.

At GLM Products, Inc. we deliver the highest quality and most complete line of over 4,000 aftermarket marine parts sold worldwide. We are the leader of the aftermarket marine parts industry, maintaining our goal of keeping boaters on the water, year after year!
